Cómo aceptar la muerte súbita e inesperada de un niño

Información y apoyo para familias en proceso de duelo y para amigos y profesionales que desean ayudarlos

Tremendously powerful and moving, the English edition of this book has already sold some 30,000 copies. The English title is *SIDS & Infant Death Survival Guide: Information & Comfort for Grieving Family & Friends & Professionals Who Seek To Help Them* (formerly *The SIDS Survival Guide*).

Both the English and Spanish editions contain authoritative new medical research information on Sudden Infant Death Syndrome and infant death and comforting articles and poems by parents who have lost babies to SIDS and other deaths such as suffocation.

The most comprehensive book ever written on SIDS, its 19 chapters cover everything from the particular grief of mothers, fathers, siblings, grandparents, friends, and child-care providers to guilt, anger, dreams, premonitions, peer and professional support, emergency response, planning funerals, enduring anniversaries, and having and monitoring subsequent children.

“Horchler and Rice have compiled an outstanding collection. The writing is moving, helpful, and hopeful. This exceptional book will be useful in every library.” —Library Journal®

“Although this book is primarily for grief-stricken families ... it’s also a primer for all prospective parents ... ” —Booklist

“The SIDS & INFANT DEATH SURVIVAL GUIDE is absolutely the most comprehensive work ever written for SIDS parents. If only we’d had this book in 1975 when our son, Rob, died of SIDS. What a blessing to finally have an excellent, authoritative book to recommend to the SIDS community.”

—Marta Brown, 1996 Conference Chairman, SIDS International

“A godsend ... It helps parents know that they are not alone and that it’s not their fault. I’ll recommend it highly ... ” —Richard Abrams, M.D., Denver, author of *Will It Hurt the Baby? The Safe Use of Medications During Pregnancy & Breastfeeding*

“The feelings of SIDS parents are validated throughout every page.”

—Beverley De Bruyn, Executive Director, The Canadian Foundation for the Study of Infant Deaths

“A lifesaver.” —Angie and Matt Miller, newly bereaved SIDS parents

“I keep this book at my bedside.” —Ann Fink, bereaved SIDS mother

“Beautifully written ... A valuable and useful guide for all.” —Mary McClain, RN, MS, Immediate Past President, Association of SIDS and Infant Mortality Programs
